(6) SINGING/PLAYING FROM MEMORY is required of Open Singing entrants, and credited in Open Playing classes. No coaching allowed from the audience during judging.

CLOG DANCE

We regret that there will be NO competitions, for this year only, in Northumberland & Durham Traditional Style Clog Dancing. Instead there will be clog demonstrations and workshops over the Gathering weekend – see programme for details.

The decision to pause the clog competitions follows the lack of entries in these categories when events resumed last year after Covid. We intend to run sessions for community groups and the public during and after the Gathering to encourage all ages to take up clog dancing or refresh existing skills, in order to encourage soloists and groups to enter in future years.
